**International Symposium on Intelligent
Manufacturing Environments**

InManEnt 2016

November 13 - 17, 2016 - Barcelona, Spain

<http://www.aria.org/conferences2016/InManEnt.html>

Important deadlines:

Submission (full paper)	June 27, 2016
Notification	August 20, 2016
Registration	September 3, 2016
Camera ready	October 4, 2016

Topics:

- New production paradigms and concepts
- Life cycle sustainability of production systems
- Cooperation and communication in manufacturing environments
- New computing and knowledge paradigms in manufacturing environments
- Flexible manufacturing systems
- Industrial robotics and intelligent manufacturing
- Adaptive production
- Self-adapting production lines
- Situation-awareness and self-awareness
- Planning and optimization of production systems and lines
- Knowledge acquisition and exploitation in manufacturing environments
- Optimization and control of production systems and lines
